PDK INTERNATIONAL UNDERGRADUATE STUDENT MEMBERSHIP APPLICATION

Undergraduate student membership is available to people who are enrolled in an accredited education program and have not started student teaching. If you are engaged in or have completed your student teaching, you are eligible for professional membership. For more information about this and other PDK membership options, visit www.pdkintl.org.

Why join PDK as an undergraduate member?

Because we are your quality source for research. Besides paper, audio, and electronic versions of Phi Delta Kappan, the most referenced education magazine, PDK publishes valuable educational resources, like EDge magazine and Classroom Tips. Accessing these resources is a breeze when you use our online archives database, available 24 hours a day. Why pay a fee to download one article at a time? You also have access to a database of all results from the annual PDK/Gallup Poll of the Public's Attitudes Toward the Public Schools. These are must-have resources for students, education researchers, and professionals who want to stay up-to-date on trends in the field.

Because we provide connections. A PDK membership connects you to other members and chapters across the country and around the world. You can take advantage of this benefit at chapter meetings, the annual PDK conference, or in PDKConnect, the online community developed exclusively for PDK members. As you build your career, PDK can help you establish and develop the professional relationships you seek. Let us make networking easier for you.

Because security in all areas is key to success. There is peace of mind in taking care of the basics, and we can help with that. You can benefit from group rates on professional liability, health, term life, and auto insurance plans.

Because everyone wants to save money. Our scholarships and fellowships could be an economic benefit you haven't considered, and don't forget the free publications and webinars you'll have access to. We also offer considerable discounts on international travel and event registration costs.

Because professional enhancement is essential to your career. Stand out from the crowd. PDK service awards and opportunities for volunteer leadership will enhance your record of good works and accomplishments. Use your PDK membership to help you build your résumé.

Because educators need practical resources. Whether you plan to be a classroom teacher, administrator, professor, or consultant, PDK's webinars, newsletters, and other resources contain the latest information for the education practitioner. It's the most up-to-date information in education, presented in succinct, easy-to-access formats.

The mission of PDK International is to promote quality education, in particular publicly-supported education, as essential to the development and maintenance of a democratic way of life. Completing this application indicates your support of this purpose.
